The Glenburn Experience

Inspired by great tea traditions of Asia, we, at Glenburn Fine Tea, believe in tea which is simply delicious and uplifts the spirit and the senses. Through sharing our knowledge, as well as passion, we bring to life the simple everyday pleasure of the perfect cup of tea. thereby, inspiring the world to DRINK TEA at ITS BEST.

After a morning of hand picking the best tea leaves, they reach the factory where it goes through a series of processes. About a thousand of the tender shoots are mixed together. Most of this moisture is removed by mechanical means. Next, the tea is mechanically accomplished. Here the tea is oxidized, whereby the tea acquires its dark color. When fermentation should stop. Next, the tea reaches your teacup. Now the process of sorting into different sizes for different markets. examination - the process of testing. Certain rain actually translate into one single essence? Come and taste your own perfect cup of Glenburn. It will inspire you with its tranquility and cheer you with its youthful taste. It is truly the champagne of teas.
